# First St. Paul's Lutheran Church

Hastings, Nebraska

# **Our Mission:**

"United, we live God's will."

## **Our Vision:**

"First St. Paul's Lutheran Church will love God, love one another, and make disciples. We will be a church where faith is found and where faith is strengthened."

## **Our Commitments:**

At First St. Paul's Lutheran Church, we act justly, extend grace, and embrace people where they are. When we say "I believe," we commit ourselves to grow towards:

- Praying continuously;
- Studying scripture daily;
- Worshiping weekly;
- Serving in and outside our congregation;
- · Engaging in nurturing relationships; and
- Giving generously.

## **Our Goal:**

First St. Paul's Lutheran Church will continuously provide a dynamic worship experience while creating disciples with an emphasis on biblical study and mission.

List three events or developments that are important from the history of your congregation.

**Building** – While every building project is important and impacts the life and workings of a congregation, few have had as great an impact as the addition which includes the areas known as the Celebration Center, Gathering Area and Christian Underground completed in the early 2000's. The Celebration Center, while originally built as a fellowship area, has allowed us to develop a contemporary worship service (now the largest service we hold) as well as allowing us to gather as a congregation and community for weekly Wednesday evening meals (as a part of our Wednesday evening programming) where typically over 200 participate

in this time of food and

fellowship before moving to educational/service groups held for all ages from preschool to adult each week during the school year. Additionally, the Gathering Area has made it possible for people to stay, talk, be greeted or have a cup of coffee after or between worship services or after weddings and funerals or other events as well. Lastly, the Christian Underground is a large, wonderful space used primarily for youth activities (complete with bathrooms and showers) which is used for jr. and sr. high programming, retreats, lockins, hosting travelling youth groups, blood drives, community events, etc. All

these have served us well, not only for congregational needs but for community hospitality as well.

the City Council allowed the church to close 5<sup>th</sup> Street so the church could expand directly south of the sanctuary. After much planning and a successful fundraising campaign, the work on the new celebration center was initiated. During this process the seeds for contemporary worship were sown and in January 2024 just celebrated 20 years. The Celebration Center facility now only opened doors for a new style of worship but is a gathering place for community events, our Wednesday evening Ichthus dinners, a commercial kitchen and an easily accessible location for funeral luncheons.

Mission – Mission is a large part of the life at First St. Paul's and it takes place in a number of different ways. From our support to Lutheran Asians Ministries and the Lutheran Church in Estonia to the mission trips our young people take to places as nearby as Colorado (where we have gone to a Lutheran Camp to help and supervise a group of disabled adults the last number of years) and as far away as Jamaica or Puerto Rico (where we have helped with damage to homes due to hurricanes); our entire

congregation has been impacted and inspired. There is an endowment fund that has been initiated to help defer the cost for such events.

#### **Community Involvement -**

Finally, we believe that God has placed us here in this community for a reason. We support or even host numerous benevolent organizations in the Hastings community. From Crossroads Homeless Shelter to housing the community food pantry, as well as sponsoring such organizations as Royal Family Kids Camp (serving the abused/neglected children in our county), a couple of different grief groups, scouts, the Open Table (supplying daily lunches to people in need) etc., there are many ways in which our congregation is involved. In addition, we have a Pastors Help Fund which makes a difference in rent/utility support, Knit Pray Crochet, and a Cross Makers group. We are involved with the local college, and our First St. Paul's Foundation, etc. All make a difference in the community in which we live.

Outline the call process as unique to this specific congregation.

We do not believe our call process to be unique. The Personnel Committee of our Church spent considerable time discerning the staffing needs of our Church. Given this discernment, a staffing plan was presented to the Congregational Council for consideration. After a month of consideration and discussion, the Council acted to create a Call Committee. While we are unsure of the uniqueness of this, the Council did include youth representatives on the Committee given our desire to hire an Associate Pastor with a focus on youth and mission ministries. Should the Call Committee locate a suitable candidate to fill this position, they will recommend that person to the Council. Should the Council agree with the recommendation of the Call Committee, the Council will ask the congregation to issue a call.

#### Part 2 Ministry Practices, Structure and Future

Sanctuary

#### Worship

- ♦ Saturday, 6:00pm
- ♦ Sunday, 8:25am

Traditional worship is offered with an organ in the sanctuary. Communion is offered the first Saturday/Sunday of the month. The services generally follow the Lutheran Book of Worship and use the With One Voice supplement. The 8:25am service is broadcast on the radio, is videotaped and played back by the local cable TV service and can be viewed on our Facebook page.

Celebration Center

♦ Sunday, 10:35am Contemporary Praise worship with band and volunteer lead vocalists in the Celebration Center. Communion is offered the third Sunday of the month. The service uses a liturgy that varies with the seasons and technology is used to project the service and songs on large televisions and is live streamed on Facebook. Songs are chosen based on the weekly lesson and are relevant and heard on local Christian radio stations. A children's sermon is offered weekly.

#### **Education**

#### ♦ Children's Ministry

Children's Ministry at First St. Paul's is focused on connecting parents and children with one another and to God's word every week, in every ministry and in the home.

Describe the service ministries of the congregation and the community involvement and partnerships.

Our Church is involved in a variety of service ministries. The Church contributes significantly to the Open Table Program. In this program, our Church generates 10,000 food sacks a year to help feed community members experiencing food scarcity. We also operate a Feed My Sheep Program that provides food for anyone that needs a meal for any reason. In addition, a number of small groups in our Church periodically participate in the Hearts and Hands Program that produces nutritious meals shipped throughout the world. We provide financial and housing support for the **Adams County Food** Pantry. We conduct a number of food drives throughout the year to help keep the Pantry well stocked. Finally, our Church provides a meal each Wednesday throughout the school year that is open to the community and based on a free will offering.

In addition to our efforts to address food scarcity, our

Knit~Pray~Crochet

Church recently became the sponsor of the Royal Family Kids Camp. RFKC is a camp experience for foster children ages 5 through 12 years of age. This camp is designed to provide foster children with a week long camp where acceptance and happiness abound. This camp exposes children to the gospel in a manner respectful of each child's background and religious development.

Our Church provides an onsite Bible Study for women housed at the "Bridge." The Bridge is a program designed to help women needing longterm residential treatment in a therapeutic setting.

The Church conducts community outreach programs such as Trunk or Treat around Halloween and an Ice Cream Social and Car Show. The Ice Cream Social generates funding to assist selected individuals with significant financial needs due to health concerns or other circumstances. This last summer, the Church hosted the Nebraska Rod and Custom Association providing coffee and doughnuts for the two

day event as well as serving a meal for the banquet and program they held in our Celebration Center. The hosting of this event provided financial support for our mission team.

Our Church provides financial support through our local benevolence funding. The organizations we have funded would include but not be limited to: Crossroads, the Adams County Food Pantry, Royal Family Kids Camp, Habitat for Humanity, Revive, Threads of Grace, Teen Reach Adventure Camp (TRAC), Food 4 Thought, Kids and Dreams Foundation, Meals on Wheels, Kids Connect, Lutheran Family Services, the Bridge, Moms of Hastings, and Hearts and Hands.

**Hastings Food Pantry** 

The Church also reaches out to the community through our Prayer Cross Ministry and Stephen's Ministry Programming. We also support an active Grief Share Program as well as an annual vacation bible school and a preschool program.

Finally, the Church continues to support youth mission programming for middle school and high school age students. Such programming provides our youth with both domestic and international mission experiences.

#### Describe the congregation's present staffing, including both paid and volunteers.

Paid staff include a Senior Pastor, an Associate Pastor, a Director of Administrative Support, a Finance Coordinator, a Facilities Manager, a Preschool Director, two Preschool Assistants, three organists, and a number of choir directors.

Unpaid volunteers would include well over 100 individuals including two volunteer coordinators, youth and mission volunteers, Sunday School and Ichthus teachers, Praise Band members, greeters, ushers, vacation bible school teachers, etc. Despite over 100 volunteers, the Church has initiated a campaign to increase volunteerism. This campaign is not due to a shortage of volunteers as much as it is in conjunction with the commitment of service encouraged by the Church for every member.

# In the past five years, has the congregation conducted a process to review its ministry/goals?

Yes, Since 2020, the Congregational Council annually reviews our ministry and goals. As a result, we presently hold the mission, vision, commitments, and goal provided on the front page.

#### If so, when?

The Church Council engaged in a significant review of our ministry and goals in 2020. The Council since then conducts annual review of ministry and goals each February once the Council is reconstituted through our election process. Based on this goal, each committee of the Council develops action plans to help guide their work throughout each year.

# Please describe the existing building issues that may need to be addressed and the current extend of handicapped accessibility.

The facilities of First St. Paul's are handicapped accessible. Given the size of the Church facilities, our building issues never end. The following represents the prioritization of projects recently developed by our Property Committee and adopted by the Church Council. Items with a check beside them have been completed. At this time, the church is re-carpeting several areas. Our plan is to continue to update our priorities and address each need as funds become available.

# Describe the congregation's stewardship practices.

In the fall of each year, committees of the Church are asked to develop realistic budget requests. This includes the Personnel Committee given that personnel costs represent a significant portion of the budget of the Church. The Council then reviews each request and formulates a budget for review at the Congregation's Annual Meeting. The congregation reviews the proposed budget and has an opportunity to revise the budget. Generally, the budget provided by the Council is adopted by the Congregation without modification.

To help members to manage their giving, the Church provides a giving envelope system for members wishing to use such a system. The Church also provides other means for giving including an offering and through electronic resources.

Depending upon our circumstances each year, our Senior Pastor may provide a written appeal to the congregation to encourage responsible stewardship. While the Church will deficit spend throughout the summer and early fall, the giving of the congregation has generally met or exceeded the expenditures of the

church. A significant amount of giving occurs in November and December after the fall harvest is completed.

Please attach a current spending plan for the congregation. Additionally, describe savings, endowments or investments and how these funds are to be used.

The 2023 Annual Meeting Treasurer's Report for the Church, the 2023 Annual Meeting Treasurer's Report for the First St. Paul's Lutheran Church Foundation, and the proposed and adopted 2024 Church Budget have been attached.

Savings held by the Church are occasionally used when a necessary expenditure, that was not anticipated in the budget, is needed.

Otherwise, the Church tries to carry a reserve fund in case anticipated giving falls short. The Church normally ends the year in the black.

The funds controlled by the Foundation may be used as the Foundation Board determines. The Foundation has funded new ministries, new resources, interns,

scholarships, youth mission trips, and provided funding for local agencies that help to fulfill the mission of the Church. To date, from when the Foundation was created until now, the Foundation has provided \$585,140 to the

What are the congregation's needs and strengths? What pastoral skills will best serve the Lord in this particular setting?

Church and the community.

First St. Paul's Lutheran Church is a strong church that constantly seeks to improve on carrying out God's will. We know we are here to love God, love one another, and to make disciples of all we can reach. The Church is led by strong Pastors who work tirelessly to care for the congregation and to spread the Gospel. While budget concerns exist, financial support for the Church has consistently exceeded budget projections. The Church is very family oriented and places a high priority on children and youth. Children, youth, and adult programs are provided on Sunday mornings and through the Ichthus Program

More of Jesus, Less of Me!

Wednesdays in the fall, winter, and spring. In addition, the Church provided Wednesday Night Suppers for the community. This ministry occurs in conjunction with our Ichthus Program and is supported only by free will offerings. The Church also places a high value on youth missions and has sent middle school and senior high students on either a domestic or an international mission annually for quite some time. Dedicated funding for needy children and youth mission trips have been assured through generous donations from the congregation. The location of the Church places it in a high traffic area of the community and the congregation works hard to maintain and to improve our physical environment. The Church has a substantial parsonage able to house a family of any size. The Church has become more welcoming through a new "greeter" program and is working hard to increase the number of lay volunteers to support our ministry While other needs do exist,

the Church has prioritized the calling of an Associate Pastor. While this Pastor will be fully responsible for carrying out the overall mission of the Church and must be a good team member as well as being able to accept direction, this Pastor must place a high priority on conducting the youth and mission programming of the Church. This Pastor, however, should seek to innovate and to improve such programming. While it may go without saying this person must love God, Jesus, and the Holy Ghost. He/She must be willing to boldly share that love and the Gospel as well as possess a deep passion for ALL members of our Church with particular and special interest in our youth. This person needs to be well grounded through daily scripture and prayer. Key areas of this ministry would include:

- ◆ <u>Teaching and Discipleship:</u> This Pastor will need to educate and disciple youth in biblical theology, principles, and the practical application of faith. They must be able to develop and deliver engaging learning activities that help our youth members to have faith and to remain hungry for the Gospel and continued relationships. In addition, this Pastor will be expected to preach normally one time per month.
- ◆ Spiritual Guidance and Mentorship: This Pastor will provide spiritual guidance, including crisis support, conflict management, and counseling, and will mentor the young members of our Church. He/She will help youth to navigate faith challenges and decisions. This person must be someone our youth can trust to be loving, helpful, reliable, and a role model. They must be someone who is able to provide our youth with strict confidentiality without sacrificing the need for safety or in violation of the law. This person must be passionate about and relate to ALL youth members. He/She must treat students equitably seeking to provide for the needs and development of each youth member.
- ◆ Youth Engagement, Community Building, and Outreach: This Pastor will actively engage the youth through programs, events, activities, and travel that caters to youth faith interests and needs, fostering a sense of belonging and community. We believe this Pastor must be organized and possess excellent planning and communication skills. He/She needs to be funloving and approachable as well as being willing to follow-through on commitments. This Pastor must possess "withitness", staying knowledgeable on youth concerns, issues, and culture, while also being able to redirect behavior in an appropriate but firm manner. Finally, this Pastor will continue to have some level of contact with youth members of the church after their graduation from high school.

#### 2023 ANNUAL REPORT OF FIRST ST. PAUL'S LUTHERAN CHURCH FOUNDATION OF HASTINGS, NEBRASKA

First St. Paul's Lutheran Church Foundation was founded in 1983. The Foundation has enjoyed steady growth since its founding. It is another arm of the Church helping locally, nationally and worldwide. Contributions received are from gifts and memorials which are above and beyond local Church giving. Gifts received of \$1,000 or greater are recognized on a name plate board which is displayed in the Church.
